

## **Introduction**

Eagle Care Homes has been providing high quality care services for over 30 years. We take great pride in providing a home from home environment in a safe, comfortable setting for all our residents.

All our homes are modern and well established with highly qualified and experienced caring staff.

Eagle Care offers our residents all year round activities, personalised nutritional needs and exceptional facilities.

## **Registration**

We are fully registered with outstanding reports from the Care Quality Commission and contract

with all local Social Services.

## **Person Centred Care**

We practise person centred care planning with an individual key worker system in place.

## **Types of Care**

- Long term
- Short term
- Respite care
- Convalescent
- Dementia
- Palliative care

## **Safety and Security**

Safety features include protected alarmed doors, door security system, well lit outside areas, passenger lift, emergency lighting, up- to- date fire safety system, emergency call system throughout home. And other equipment designed to

maximise residents' safety and well-being.

### **Services**

Each resident has access to a General Practitioner of their choice. We also assess and meet residents' individual needs by means of referral to:

Physiotherapists, Chiropodist, Dental and Optical Services, Speech Therapists, Occupational Therapists and any other health services. We also offer informative talks on illnesses and conditions for relatives and residents via the local Pharmacist. Weekly hairdressing is available. Personal laundry is catered for free of charge.

### **Spiritual needs**

We have links in the local community who visit

regularly to fulfil your religious beliefs. Many of our homes are very close to local churches.

### **Meals and Nutrition**

All our meals are prepared on site in our well-equipped modern kitchens. Our menus are planned by our head cook with regular input from our residents. All our residents' nutritional needs are assessed regularly and catered for accordingly. Residents may take their meals in our spacious dining rooms or in the privacy of their own rooms.

### **Activities**

At eagle care homes we feel that meaningful activities are paramount. Each resident is individually assessed to

ensure that suitable interests and activities they enjoy are available. Activities are performed both on an individual and group basis. The activities include: reading, board games, baking, art and crafts, soft ball exercise, cinema and popcorn afternoons, knitting club, mobility exercises, bingo, gentleman's afternoon, ladies make-up and pampering session, relaxing hydrotherapy bathing (certain homes only).

### **Special Activities**

Birthday celebrations, tea dances, tastes of the world events, pub trips, shopping sprees , garden centre trips out.

Celebration of all seasonal events and festivities including: visits to the pantomime. Regular

entertainers visit the homes. Trips out to Blackpool Illuminations, Harry Ramsden's, Fish & Chips and other places of interest to our residents.

### **Garden Activities**

All our homes have an appointed person dedicated to being "Green Heart". Green Heart co-ordinates the gardening programme throughout the year.

### **Free**

We offer one overnight experience of our care services free of charge or if you prefer you can come for a meal and talk to other residents living at our homes.
